# Western Suburban Soccer League

## BOYS RECREATIONAL STANDINGS Fall 2002

### Final Standings as of 11/6/02

NOTE: The Western Suburban Soccer League policy is to not keep official standings or award trophies for u9 and u10 recreational divisions. Play in these younger age groups is focused on learning the game, good sportsmanship, and having fun. Some clubs choose to give their own recognition.

We do require game reports to make sure that all games are played and to track yellow and red card misconducts and suspensions. In the fall season we keep unofficial standings for purposes of divisioning teams appropriately for the spring season.
